

CLIL4ALL Conference at TH Wildau – 2-3 June 2025

We are pleased to invite you to the CLIL4ALL Conference at TH Wildau on 2-3 June 2025, where we will present the results of our project research and showcase our joint Content and Language Integrated Learning activities.

The conference will bring together lecturers, researchers, and practitioners to discuss innovative approaches to CLIL in higher education and explore its impact on inclusive, interdisciplinary learning. The event will feature keynote presentations of Prof. Dr. Do Coyle as well as Prof. Dr. Victor Pavón, interactive workshops, and discussions on best practices in CLIL implementation in higher education.

Additionally, we invite you to join us for a networking dinner and cruise on the river Dahme on the evening of Monday 2 June, offering a great opportunity to connect with fellow participants in a relaxed setting.

We would be delighted by your presence and valuable contributions to the discussions. Please confirm your participation by 15 May 2025 via e-mail to John O'Donoghue (john.odonoghue@th-wildau.de).

Should you have any questions, feel free to contact the project manager John O'Donoghue.

We look forward to welcoming you in Wildau!
